Maybe even better than free.

This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Simply upload your file and share the link. If only we could, we surely would! On the other hand, using file can actually save you money. There are no restrictions on the number of times a file can be downloaded. When you usefile, you avoid storing the file you're sending in your cloud storage or mail server. Keep your files private, or send your download links only to friends orfamily. You decide who you want to share your files with. You can give this download link to your friends by mail or instant messenger. Our service iscompletely free for everyone. Unfortunately, we can't make that part free. Just upload the file you want to share with your friends and we send you a downloadlink to your file. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Any file inany format can be uploaded and downloaded for free. filehosting provides an easy possibility for you to send large files to your friends. It is also allowed to linkto the download page from websites and communities. We have no file size limit. Why pay storage fees for a file that you just wanted to send to a friend orcolleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. Alternatively you can choose to share yourdownload links on blogs, forums and social networking sites. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file,data is being transferred between your computer or phone and our servers, then from our servers to your friends device. You don't need any special softwareinstalled to be able to download your files. The cost of that data transfer is covered by your internet service or the data plan on your phone. No account or creditcard is required to get started. Files can be downloaded from any computer from our high speed servers. Using file, you can circumvent those limits withoutpaying to upgrade your team chat service. So try our free and simple filehosting service now. File is free to use with no gotchas and no hidden fees. You canupload any type of file (movies, music, documents, images, zip files and more).
