Maybe even better than free.

Using file, you can circumvent those limits without paying to upgrade your team chat service. You decide who you want to share your files with. Any file inany format can be uploaded and downloaded for free. File is free to use with no gotchas and no hidden fees. There are no restrictions on the number of times afile can be downloaded. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. It is also allowed to link to the download page from websites and communities. You can give this download link to your friends by mail or instant messenger. Simply upload your file and share the link. Just upload the file you want to share with your friends and we send you a download link to your file. filehosting provides an easy possibility for you to send large files to your friends. We have no file size limit. When you use file, you avoid storing the file you'r sending in your cloud storage or mail server. You can upload any type of file (movies, music, documents, images, zip files and more). Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. Unfortunately, we can't make that part free. Alternatively you can choose to share your download from any computer from our high speed servers. Our service is completely free for everyone. So try our free and simple filehosting service now. If only we could, we surely would! On the other hand, using file can actually save you money. No account or credit card is required to get started. You don't need any special software installed to be able to download yourfiles. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. Why pay storage fees for a file that you just wanted to send to afriend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. The cost of
