Maybe even better than free.

We have no file size limit. No account or credit card is required to get started. Our service is completely free for everyone. Simply upload your file and sharethe link. Files can be downloaded from any computer from our high speed servers. The cost of that data transfer is covered by your internet service or the dataplan on your phone. You decide who you want to share your files with. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. There are no restrictions on the number of times a file can be downloaded. File is free to use with no gotchas and no hidden fees. Using file, you cancircumvent those limits without paying to upgrade your team chat service. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When youshare a file, data is being transferred between your computer or phone and our servers, then from our servers to your friends device. Just upload the file youwant to share with your friends and we send you a download link to your file. You can upload any type of file (movies, music, documents, images, zip files andmore). You can give this download link to your friends by mail or instant messenger. If only we could, we surely would! On the other hand, using file canactually save you money. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the sizeof files that can be transferred within their apps. filehosting provides an easy possibility for you to send large files to your friends. You don't need any specialsoftware installed to be able to download your files. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Keepyour files private, or send your download links only to friends or family. It is also allowed to link to the download page from websites and communities.Alternatively you can choose to share your download links on blogs, forums and social networking sites. Files transferred the old-fashioned way tend to pile upand be forgotten about, eventually costing you money in data storage fees. So try our free and simple filehosting service now. Any file in any format can beuploaded and downloaded for free. Unfortunately, we can't make that part free.
