Maybe even better than free.

You don't need any special software installed to be able to download your files. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. filehosting provides an easy possibility for you to send large files to your friends. Our service is completely free for everyone. You can upload any type of file (movies, music, documents, images, zip files and more). No account or credit card is required to get started. Just upload the file you want to share with your friends and we send you a download link to your file. Alternatively you can choose to share your downloadlinks on blogs, forums and social networking sites. So try our free and simple filehosting service now. Keep your files private, or send your download links onlyto friends or family. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Any file in any format can be uploadedand downloaded for free. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. There are no restrictions on the number oftimes a file can be downloaded. Unfortunately, we can't make that part free. Files can be downloaded from any computer from our high speed servers. Simplyupload your file and share the link. Using file, you can circumvent those limits without paying to upgrade your team chat service. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from ourservers to your friends device. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits tothe size of files that can be transferred within their apps. You decide who you want to share your files with. The cost of that data transfer is covered by yourinternet service or the data plan on your phone. It is also allowed to link to the download page from websites and communities. We have no file size limit. Youcan give this download link to your friends by mail or instant messenger. If only we could, we surely would! On the other hand, using file can actually save youmoney. File is free to use with no gotchas and no hidden fees.
