Maybe even better than free.

File is free to use with no gotchas and no hidden fees. You can give this download link to your friends by mail or instant messenger. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. This is easy, fast and reliable filehosting! You don't need any kind of premium-accounts. So try our free and simple filehosting service now. You decide who you want to share your files with. Why pay storagefees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within theirapps. You can upload any type of file (movies, music, documents, images, zip files and more). Simply upload your file and share the link. It is also allowed tolink to the download page from websites and communities. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, datais being transferred between your computer or phone and our servers, then from our servers to your friends device. Our service is completely free for everyone.Just upload the file you want to share with your friends and we send you a download link to your file. Alternatively you can choose to share your downloadlinks on blogs, forums and social networking sites. Unfortunately, we can't make that part free. You don't need any special software installed to be able todownload your files. There are no restrictions on the number of times a file can be downloaded. The cost of that data transfer is covered by your internet serviceor the data plan on your phone. filehosting provides an easy possibility for you to send large files to your friends. Files can be downloaded from any computerfrom our high speed servers. Any file in any format can be uploaded and downloaded for free. If only we could, we surely would! On the other hand, using filecan actually save you money. We have no file size limit. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Keepyour files private, or send your download links only to friends or family. Using file, you can circumvent those limits without paying to upgrade your team chatservice. No account or credit card is required to get started.
